ABOUT THIS PROPERTY

Positioned on a generous 20,400 SF double lot in Stapledon Gardens, Nassau, Bahamas, this fully enclosed four-plex sits proudly on a desirable corner-offering added privacy, easy access, and strong curb appeal. With 2,900 SF of living space, the property includes 6 bedrooms and 4 bathrooms across four well-maintained units, making it a sound investment opportunity for both new and experienced investors. Whether you're looking to expand your portfolio or dive into your first income-producing property, this multi-family setup provides immediate rental potential and long-term upside. The oversized, secure lot also offers possible future value-add opportunities-think storage,...
