ABOUT THIS PROPERTY

Presenting a compelling investment and development opportunity in Nassau, Bahamas, this 6.8-acre investment parcel offers ocean views, a desirable coastal setting, and approved subdivision plans. The acreage provides investors and developers with the flexibility to explore a range of high-value development strategies, including a luxury residential community, an exclusive collection of upscale homes, or a private estate, subject to applicable approvals and development requirements. Conveniently located near the coastline and within easy reach of Nassau's resorts, marinas, dining, shopping, and other key amenities, the property combines accessibility, scale, and long-term...
